

Pinole Creek Watershed Landslide and Gully Map

Pinole Creek Watershed Sediment Source Assessment, SFEI Contribution 316

January 2005
San Francisco Estuary Institute
www.sfei.org

Photo base consists of 1:200- and 1:400-scale, 2000 black and white aerial photographs supplied by Contra Costa County Public Works Department.
Original photograph interpretation was based upon 1:1,200 1989 black and white photographs supplied from the USDA Natural Resource Conservation Service.
See report appendix for additional information regarding specific landslides.
