The Alameda Creek Watershed Council's mission is to protect and enhance water-related beneficial uses and resources in the Alameda Creek Watershed in order to create a healthy and sustainable watershed for the community. The Council promotes collaboration and the sharing of information among all stakeholders.

The Council was officially created in late 2007. It is a voluntary, non-regulatory group of stakeholders who are interested in protecting and enhancing water-related beneficial uses and resources within the Alameda Creek watershed. The Council evolved from the Alameda Creek Watershed Management Plan Steering Committee that originated August 1997.

Stakeholders currently represented on the Council are:

- Alameda County Flood Control and Water Conservation District
- Alameda County Water District
- Alameda County Resource Conservation District
- East Bay Regional Park District
- Livermore Area Recreation and Park District
- City of Livermore
- City of Fremont
- San Francisco Bay Regional Water Quality Control Board
- Zone 7 Water Agency
- Friends of the Arroyos

Meetings are also attended by other agencies, groups, and individuals. Everyone is welcome.

**Mark your calendars!** We meet quarterly on the 4<sup>th</sup> Thursdays – January, April, July, and October. Please contact Amy Evans with the RCD at [amy.evans@ca.nacdn.net](mailto:amy.evans@ca.nacdn.net) if you have suggestions for meeting topics, trainings, or tours.
