

DESIRED MEETING OUTCOMES

1. Input and general ratification of the overall programmatic balance of monitoring and modeling to support management questions, and process and timeline for addressing remaining uncertainties
 - ~\$500k/year for 5 years
2. Input and general ratification of the proposed synthesis report outline
 - \$30k to be spent in 2014
3. Input and general ratification of the proposed modeling work plan for 2014 and 2015
 - 2014: \$30k
 - 2015: ~\$35k
4. Input and general ratification of WY 2015 monitoring design
 - ~\$420k to be spent for WY 2015 monitoring

SFEI MEETING PROTOCOLS

- This meeting should facilitate open, constructive dialogue.
- Full agenda! Exciting Science!
- Stay on topic!
 - Parking lot for ideas
- Stay on time!
 - Avoid unnecessary details - be succinct - <2 minutes per contribution
 - Parking lot for additional discussion at end of day
- Respectful and collegial
 - One conversation at a time
 - Challenge ideas, not individuals
 - Listen, don't interrupt
- Share time so all can speak
 - Avoid rewording what others have said – consider an “I agree” response
- For people on the phone, try to minimize shuffling of paper
