

Person	Jurisdiction	Potential candidate lake / reservoir or pond	County	Classification (East or West)	Comment	Edible fish > 0.3 ppm Hg?	Edible fish > 20 ppb PCBs?	Edible fish > 2ppb dieldrin?	Total chlordane and total DDTs above SVs?
Karen Taberski/ Jay Davis	RWQCB / SFEI	Anderson Reservoir	Santa Clara	East	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	Yes		
Karen Taberski / Jay Davis	RWQCB / SFEI	Bon Tempe Reservoir	Marin	West	Samples for fish tissue under the SWAMP program	Yes	Yes		
Jay Davis	SFEI	Briones Reservoir	CONTRA COSTA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Calaveras Reservoir	SANTA CLARA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Calero Reservoir	SANTA CLARA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Chesbro Reservoir	SANTA CLARA	?	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Contra Loma Reservoir	CONTRA COSTA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Coyote Lake	SANTA CLARA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Karen Taberski	RWQCB	Del Valle Reservoir	Alameda	East	East Bay Regional Parks have been very anxious to have more studies done there. Samples for fish tissue under the SWAMP program in 2000?	Yes	Yes		
Jay Davis	SFEI	Discovery Bay	CONTRA COSTA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Karen Taberski / Jay Davis	RWQCB / SFEI	Lafayette Reservoir	Contra Costa County	East	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	Yes		
Jay Davis	SFEI	Lago Los Osos	ALAMEDA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Karen Taberski / Jay Davis	RWQCB / SFEI	Lake Chabot	Alameda	East	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	Yes	Yes	Yes
Jay Davis	SFEI	Lake Chabot (Vallejo)	SOLANO	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Lake del Valle	ALAMEDA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Lake Henne	NAPA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Lake Lagunitas	MARIN	West	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Lake Madigan	NAPA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Peter Van Mitre	USGS, Austin Texas	Lake Merritt	Alameda	East	Dredged multiple times between 1921 and 2007				
Jay Davis	SFEI	Lake Sonoma	SONOMA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Lexington Reservoir	SANTA CLARA	East	Sampled by the BOG (statewide SWAMP) in 2007				

Jay Davis / Jon Konnan	SFEI / EOA, BASMAA	Lower Crystal Springs Reserv	SAN MATEO	East	Sampled by the BOG (statewide SWAMP) in 2007. Jon says in a pristine upwind San Mateo County location. Obtaining access from the San Francisco PUC could be difficult. Not sure about watershed to waterbody area ratio, their age or whether there has been any dredging, but my guess is they would meet the criteria.				
Karen Taberski / Jay Davis	RWQCB / SFEI	Nicasio Reservoir	Marin	West	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	No		
Jay Davis	SFEI	Oiger Quarry Ponds	SANTA CLARA	?	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Pilarcitos Lake	SAN MATEO	East	Sampled by the BOG (statewide SWAMP) in 2007				
Karen Taberski / Jay Davis	RWQCB / SFEI	San Pablo Reservoir	Contra Costa	East	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	Yes	Yes	Yes
Jon Konnan	EOA/ BASMAA	San Andreas Lake	SAN MATEO	East	In a pristine upwind San Mateo County location. Obtaining access from the San Francisco PUC could be difficult. Not sure about watershed to waterbody area ratio, their age or whether there has been any dredging, but my guess is they would meet the criteria.				
Jon Konnan	EOA/ BASMAA	Pilarcitos Lake	SAN MATEO	East	In a pristine upwind San Mateo County location. Obtaining access from the San Francisco PUC could be difficult. Not sure about watershed to waterbody area ratio, their age or whether there has been any dredging, but my guess is they would meet the criteria.				
Trish Mulvey	Clean S. Bay	Searsville	San Mateo	West	Stanford very interested in air deposition research				
Karen Taberski / Jay Davis	RWQCB / SFEI	Shadow Cliffs Reservoir	Alameda	East	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	Yes		
Karen Taberski / Jay Davis	RWQCB / SFEI	Soulajule Reservoir	Marin	West	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007	Yes	Yes		
Jay Davis	SFEI	Spring Lake	SONOMA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Karen Taberski / Jay Davis	RWQCB / SFEI	Stevens Creek Reservoir	Santa Clara	West	Samples for fish tissue under the SWAMP program in 2000? Sampled by the BOG (statewide SWAMP) in 2007. Trish thinks is have been dredged hense Dave Drury's comments above.	Yes	Yes	Yes	Yes
Jay Davis	SFEI	Upper San Leandro Reservoir	ALAMEDA	East	Sampled by the BOG (statewide SWAMP) in 2007				
Jay Davis	SFEI	Uvas Reservoir	SANTA CLARA	East	Sampled by the BOG (statewide SWAMP) in 2007				
David Drury	SCVWD				We do not have a lake or reservoir that would meet the criteria				
Francios Rodigari	EBMUD				EBMUD is interested in performing that analytical work (PCB Congeners, Hg, and ?)				
Carrie Austin	RWQCB				Suggest we coordinate with the statewide reservoir/lake study being run by Sacramento Water Board staff (was Tom Kimball). Mark Stephenson (MLML) is involved and Jay Davis too? Support continuing studies, not starting from scratch.
